

## **CCCA Chairman's Report on 2025**

Thanks to the excellent support of the CCCA committee members we confirmed the decisions I outlined at last years AGM:

The CCCA remains affiliated to the RYA.

I attended the Dinghy Show in Feb 25 and had useful discussions with other small classes, Clubs and representatives of the RYA. The committee remain convinced that currently the costs of having a CCCA stand at the show would not be a good investment of our limited financial resources.

The CCCA continues to communicate with its members through the CCCA Website, e-mail and Facebook. Engagement by members is limited meaning that we get little feedback on the members view of these communications.

The Committee looked at our membership records and concluded that we didn't have up to date data, meaning that we didn't know who our current members were! We have opted to use a small club membership service, Membermojo, which we believe will keep our membership records up to date and safe. This comes at a small cost to the CCCA but, at least for the time being we intend to keep membership of the CCCA free. As of 31 Dec 25, 83 people had signed up to the CCCA via Membermojo, thank you to those that have done so. These are the people we now regard as our members.

### **Events**

Richard Salliss worked very hard to organize the Comet Festival at Cotswold SC which offered racing, cruising and training for all our classes. This together with camping facilities and social events made for a great few days out. Richard is organizing a similar event in 2026 and, as ever, the support of our membership is needed to make it the success it deserves to be.

The Trio Nationals were held at Brixham YC. 7 races were held over 3 days in a variety of conditions. 15 Trios took part, Andrew and Caroline McAusland once again proved their mastery of the Comet Trio to beat off stiff competition and claim their 9<sup>th</sup> Trio Nationals title.

The Duo World championships was held at Cransley SC. 8 duos attended with Nigel Austin and Matilda Stevenson from Cransley crowned champions after a close battle with Andrew Dale and Amanda Harris from Eyott.

## **Secretary's report for year 2025**

We have had a busy & successful year with 4 meetings in total covering a wide range of CCCA related topics ably chaired by Bob.

Amongst items being discussed/ organised & possibly actioned were:

The event calendar & subsequent organisation which has already been covered by Bob.

Possible participation in the dinghy show

Modernising the internal management processes of the CCCA:

This included re platforming the website which gave cost savings & a more efficient platform. Steve White achieved this making it look deceptively easy which I am sure it wasn't Many thanks to Steve.

Chris Biglin suggested a trial membership of membermojo to facilitate communications with individual members. This has now been trialled & adopted as mentioned by Bob.

Mandates were updated for the CCCA account which proved to be a Herculean task!

*Caroline*

## **Treasurer's Report for 2025 and CCCA Accounts year ending 31/12/25**

Current Balance £4211 on January 6<sup>th</sup> 2025

Balance on 01/01/24 was £3886

The income over expenditure for the year ending 31/12/25 is £325 which is going in the right direction.

This is again accounted for by the reduction of money spent on prizes and good financial control of the National expenditure. Plus improved internet expenses due to a change in the domain.

Noble Marine continued with their sponsorship contribution which amounted to £385 this year and the Trio nationals raised £196.

The current account balance is in a healthy state going on into the New Year.
